ADDENDUM 3

Case Inlet Bulkhead Removal and Estuary Restoration MCD Contract #2026-01

To: Prospective Bidders for the MCD Contract #2026-01

From: Andy Sorter, P.E. - Mason Conservation District Engineer

Date: April 9, 2026

SUBJECT: Addendum 3 to Bid Solicitation "Case Inlet Bulkhead Removal and Estuary Restoration," MCD Contract #2026-01

This Addendum modifies the bid solicitation for the project, which is scheduled for bid opening on April 14, 2026, at 10:00 a.m.

All bidders are asked to review this addendum, consider it in preparation of their bids, and acknowledge this consideration by initialing the line on the bid proposal form for Addendum 3.

Addendum 3 addresses errors in the "Base Contract Items" listed in the contract "Bid Proposal" originally published for this project. Specifically, the "Unit" of bid items 3,4,5,9 and 10 is listed as "L.S." (lump sum), but the "Total Quantity" listed is greater than 1. A corrected "Bid Proposal" form is included as Attachment 1 of Addendum 3 to address this issue. **All Bidders shall use the corrected Bid Proposal form.**

Thank you for your time and consideration,

Andy Sorter

BID PROPOSAL - Corrected
Case Inlet Bulkhead Removal and Estuary Restoration
MCD #2026-01

Project Bidders:

This certifies that the undersigned has examined the location of the above-cited project and the Plans and Specifications and Contract governing the work embraced in this project, and that the method by which payment will be made for said work is understood. The undersigned also acknowledges that this is a public works contract, requiring payment of prevailing wages in accordance with Washington State laws.

The undersigned hereby proposes to undertake and complete the work embraced in the project, or as much thereof as can be completed with the funds available, in accordance with said Plans, Specifications, and Contract and the following schedule of rates and prices:
