

## Attachment A: List of Available Data and Studies in WRIA 14

\*\*\*NOTE: this is not an exhaustive list, but intended to give examples of data currently available for use in updating the WRIA 14 Freshwater Strategy

Opportunity for interviews with committee members and other local technical experts to gain institutional knowledge

EDT (Goldsborough, Johns, and Skookum) (2004)

- Associated Goldsborough Creek Action Plan (Squaxin Island Tribe)

WRIA 14 Stream Ranking Model (2005)—Tier 1, 2, and 3

Stillwater: Cranberry, Mill, Sherwood Systems 2007

Sherwood Creek Field Investigation (2008)

Stream Flow Monitoring Since 2003: Goldsborough, Skookum, Mill, Johns, Sherwood, and Cranberry

Fish passage inventories: some as recent as 2017, but many outdated. More updated information in near future.

Temperature Thermal Refugia Studies: Ongoing

Juvenile Monitoring Trapping Ongoing since 1999

Adult Monitoring ongoing: Adult trap in Cranberry, and stream surveys on almost all other systems

Snorkel surveys ongoing in Cranberry, Sherwood, Johns, Skookum, Mill and Goldsborough

2017 Study on Cutthroat trout in Skookum Creek (and other WDFW cutthroat studies)

Wild Fish Conservancy water typing results (channel locations, classifications, and protection/restoration opportunities identified).

Puget Sound Watershed Characterization (WDFW & Ecology)

Strategies for Nearshore Protection and Restoration in Puget Sound Nearshore: PSNERP 2012 (for estuaries)

Goldsborough Creek Project Development Report (SPSSEG 2010)

WRIA 14 Project Development Report (SPSSEG 2013)

Completed Restoration Projects List (SRFB/PRISM, other sources)

Green Diamond HCP

Kuttel, M. (2002). *Salmonid Habitat Limiting Factors Water Resource Inventory Area 14, Kennedy Goldsborough Basin*. Washington State Conservation Commission.

Schuett-Hames, D., Flores, H. R., & Child, I. (1996). *An Assessment of Salmonid Habitat and Water Quality for Streams in the Eld, Totten-Little Skookum and Hammersley Inlet-Oakland Bay Watersheds in Southern Puget Sound, Washington, 1993-1994*. Squaxin Island Tribe
