

## Ready to take the “Plastic Free July” challenge?

Use this board like a BINGO board. Every time you do one of the actions below, make an “X” through the square. When you complete 6 challenges in a row (up and down, left to right, or horizontally) bring the board to the Shelton Timberland Regional library. **Entries due by July 30.**

You will get entered into a drawing for a secret \*PRIZE\*! You may complete as many challenge cards as you would like. The more you do to reduce your single-use plastic habits, the more chances you have to win! *Winners announced July 31 to pick up their prizes at the library.*

Name: \_\_\_\_\_ Phone number: \_\_\_\_\_ E-mail: \_\_\_\_\_

Serve dinner on washable dishes	Make a home cooked meal	Recycle a plastic water bottle	Get an ice cream cone (or bring cup to ice cream parlor)	Try composting	Read an article about our plastic situation
